

PLAYERS TO WATCH - November 15, 2006

This early season listing is comprised of players from the following North American Leagues or Programs:

Canadian Junior 'A' and Junior 'B' - *Page 2-3*
United States Junior Hockey - *Page 3-4*
United States High School Hockey - *Page 5*
US National Under 18 Team - *Page 6*
US College - *Page 6*

Players have been identified using the following criteria:

- A** rating - a 'must see' player identified as a potential top three round selection in the 2007 NHL Entry Draft
- B** rating - a 'player to note' if you are in the area, a potential later round selection in the 2007 NHL Entry Draft

We have not seen all players in these various leagues as often as necessary to make final judgement, therefore, we may in the future update our opinion on these players and others prior to our Mid-Term Ranking release in January.

Updates will be made directly to the Watch List posted on the Central Scouting website along with a Domestic News Release to outline the change.

Should any of these players suffer a significant injury or change teams prior to our Mid-Term Ranking release in January, every effort will be made to post this information on our Central Scouting website for your scheduling purposes.

Please check our website regularly.
